

# THE LOYOLA FOUNDATION

*est. 1957*

## 2019-2020 BIENNIAL REPORT

“We cannot feel all right when any member of the human family is left behind and in the shadows.”

**POPE FRANCIS**

World Day of the Poor, June 13, 2020

“Christian charity is not simple philanthropy but, on the one hand, it is looking at others through the eyes of Jesus Himself and, on the other hand, seeing Jesus in the face of the poor.”

**POPE FRANCIS**

August 23, 2020

# FROM THE EXECUTIVE DIRECTOR

2020 was a year of profound worldwide change. It also illustrated to everyday Americans just how impactful forced deprivation and involuntary isolation could be to a person's normal existence. While these were thankfully temporary conditions for the populations of wealthier developed countries, many underdeveloped countries experienced far greater hardships pre-COVID. Following this pandemic, it is going to become that much more difficult for these nations to rise above already crippling levels of poverty and eventually become self-sufficient.

In his October 3, 2020 encyclical entitled Fratelli Tutti ("All Brothers"), Pope Francis referenced the words of his chosen namesake Saint Francis of Assisi when he said: "Of the counsels Francis offered, I would like to select the one in which he calls for a love that transcends the barriers of geography and distance, and declares blessed all those who love their brother 'as much when he is far away from him as when he is with him.'" As His Holiness continues to remind us, we are all God's children. It is both our sacred duty, as well as our privilege, to lend a hand to anyone who is suffering in circumstances that are much less fortunate than ours.

For the past 64 years, the Loyola Foundation has devoted most of its resources to financially assisting underserved overseas Catholic communities. This philanthropic work is immeasurably expanded upon by contributions from other like-minded organizations, both in the United States and abroad.

As the Loyola Foundation transitions from its present-day Board of Trustees to a newer Board, future leaders will carry on the valuable mission, inaugurated by founder Albert G. McCarthy, Jr., to support overseas Catholic mission activities that benefit the poor and marginalized.

Sincerely yours,

A. Gregory McCarthy, IV  
Executive Director

**Albert G. McCarthy, Jr.**  
Founder and first President of  
the Loyola Foundation

The Loyola Foundation is  
a family-based charitable  
organization primarily  
dedicated to supporting overseas  
Catholic mission activities in  
less developed countries.

# AN ILLUSTRIOUS TRUSTEE

**PAUL R. DEAN** (1918-2008)

An original member of the Loyola Foundation's Board of Trustees, Paul R. Dean was a close friend and business associate of founder Albert G. McCarthy, Jr.

Born in Youngstown, Ohio, Mr. Dean grew up in modest circumstances. His father managed to provide a college education for all his sons, including Paul, who graduated from Youngstown State and completed two years of law school at Georgetown University before joining the Navy in 1942. In 1944, the Navy chose him as one of 38 people to take a course at Harvard Business School on terminating war contracts. He was assigned to Detroit, where he took law classes at the University of Detroit before returning to Georgetown and completing his legal education.

Upon his graduation in 1946, Mr. Dean clerked for a D.C. circuit court judge. In 1947, he became one of four young lawyers who were hired as full-time faculty members of the Georgetown University Law School. In 1954, he was appointed dean of the law school.

Since 1928, the law school had been overseen by a Jesuit regent. The regents governed through a handpicked group of executive faculty members. No professor had tenure; teaching loads were high; the faculty were overwhelmingly Catholic and graduates of Georgetown. With support from the new university president chosen by the Jesuit's Maryland province, Mr. Dean was able to enact major reforms such as the appointment of a budget committee, ending the exclusiveness of the executive faculty and drafting a constitution that made the dean of the law school the "sole administrative head and the school's official representative."

During his tenure, Mr. Dean improved the school's academic standing and "committed Georgetown to becoming one of the nation's elite law schools." He hired quality faculty members, materially improved the curriculum, and moved the school building from dilapidated facilities to a more suitable location. He also rebranded the Georgetown Law School as the Georgetown University Law Center. He stepped down as Dean of the Law Center in 1969.

Mr. Dean was a Loyola Foundation Trustee from 1957 until he voluntarily retired in 2006. He served as Board Vice-President from 1976 to 2004. During his Foundation service, he assisted with codifying many of the basic tenets by which the Foundation operates to the present day. He also recommended the names of several quality Board members, such as Reverend William J. Byron, S.J., the previous President of Catholic University. Mr. Dean's late daughter, Patricia Dean, served as a Foundation Trustee from 2002 to 2004.

On December 11, 1999, the Loyola Foundation Board of Trustees approved a special grant for assistance with the construction of a new Jesuit Residence at Georgetown University. The conference room at the residence was named in honor of Paul R. Dean.

# MILESTONES 2019 – 2020

## JANUARY 12, 2019

Reverend William J. Byron, S.J. gives a brief report on the Foundation's 60<sup>th</sup> anniversary grant to Cristo Rey Philadelphia High School. The Board establishes the permanent existence of three standing committees: the Executive Committee, the Investment Governance Committee and the Finance Committee. The Trustees discuss and adopt a Foundation operating document, detailing exactly how the Foundation will operate in the future and expectations about the way its members will interact.

## JUNE 8, 2019

Three 4<sup>th</sup> generation family descendants, Addy Bramson, Cole Page and Marianne McCarthy, audit the Board meeting. Sister Mary Louise Stubbs, Executive Director for Daughters of Charity International Project Services, gives an informational presentation to the Trustees about the work of Daughters of Charity sisters worldwide. The Trustees discuss establishing the new designation of Emeritus Trustee.

## JANUARY 11, 2020

Three 4<sup>th</sup> generation family descendants, Victoria Bramson, Cole Page and Luis Muniz, audit the Board meeting. Ms. Joan Rosenhauer, Executive Director of Jesuit Refugee Service USA, gives an informational presentation to the Trustees about the international activities of Jesuit Refugee Service. The Board discusses mission related investing. The Trustees vote to invest a portion of its equity portfolio in a Socially Responsible Investing index that is driven by USCCB standards. The goal is to have all the equity portion of the Foundation's investment portfolio allocated to an SRI vehicle within the foreseeable future.

## JUNE 27, 2020

Due to COVID related restrictions, the Board convenes a hybrid meeting. Four Trustees attend in-person and the rest of the Board participates via Zoom conferencing. Three 4<sup>th</sup> generation family descendants, Victoria Bramson, Cole Page and Marianne McCarthy, are present to audit the Board meeting. Fourth generation family descendant Luis Muniz participates by Zoom. Mr. Mauricio Vivero, Executive Director for Friends of Caritas Cuba, gives an informational presentation to the Trustees about Cuba and the work of Friends of Caritas Cuba. The Board adopts several proposals presented by Trustee Amy Hattler Page: expanding the participation of founder Albert G. McCarthy, Jr.'s descendants; criteria for non-family Board members; establishing parameters for Emeritus Trustees and authorizing the sale of the Foundation's current office headquarters.

# CUBA TRIP

## EXPLORATION OF CUBAN CULTURE AND PHILANTHROPY

In January, 2020, Loyola Foundation Trustees Hilary Hattler, Amy Page, Greg McCarthy and Annamarie Glaize, the Foundation's Grant Manager, accompanied a small group of interested philanthropists on a trip to Havana, Cuba organized by Mr. Mauricio Vivero, the Chief Executive Officer of Friends of Caritas Cuba. Located in Boston, Friends of Caritas Cuba is the official United States representative and primary outside funder for Caritas Cuba, the humanitarian and social services arm of the Catholic Church in Cuba.

The goal of this trip was to promote philanthropy for the Catholic Church in Cuba and acquaint first time visitors to Cuba. Mr. Vivero wanted people who were initially visiting Cuba to experience its arts and culture, in addition to being exposed to the charitable work of Caritas Cuba. Previous organized trips had been for a week and spent a great deal of time visiting programs in the rural areas. The participants were usually older Catholics who were volunteers and donors to Friends of Caritas Cuba. Visiting the rural areas was part of how they wished to express their Catholicism.

During their brief stay in Havana, the 2020 group visited the Ludwig Foundation of Cuba, which is a non-government non-profit grantmaking organization on the island. Its mission was to protect, preserve, and promote Cuban artists, both in Cuba as well as internationally. There was a tour of the Nostalgic Cars Restoration Garage, one of the few privately owned businesses in Havana. American automobiles from the 40s and 50s are essential for everyday transportation of Cubans. Vintage cars are also utilized as taxis to service the tourist trade. The trip provided opportunities to visit the studio of Esterio Segura Mora, a prominent Cuban artist, and the Altamira Art Loft, an alternative studio, or "open gallery," which allowed artists to offer their work for sale without extra charges for dealers' commissions.

## CUBA TRIP *continued*

The Loyola Foundation contingent made its own side trip to Santa Teresa Monastery, a cloistered community of Contemplative Carmelite Sisters. In January 2020, the Loyola Foundation made a grant of \$20,000 for the purchase of bakery machines and equipment. With approval from the Metropolitan Archdiocese of San Cristobal de la Habana, the sisters had started a modest host making business at the monastery.

On their final day in Havana, the trip participants were shown two projects sponsored by Caritas Cuba, the preschool and elderly programs. Established in 1991 by the Conference of Catholic Bishops, Caritas Cuba is the largest organized effort providing social services to the Cuban people. Caritas Cuba collaborates on a local level with other groups, as well as working closely with the Cuban government. Friends of Caritas Cuba hosted a tour of Guardera Padre Usera Daycare Center, which offers daycare services for at-risk families so the mothers can go to work.

In addition, there was a visit to a senior center at Iglesias y Convento de la Merced. Due to the high number of emigrants, Cuba has the oldest median age in Latin America. Seniors participating in the La Merced program are provided with hot meals, haircuts, manicures, and special outings. The program gave elderly people, who mostly lived alone, the ability to socialize and participate in group religious activities.

In a relatively short time, the Cuban excursion provided the participants with an opportunity to learn a great deal about Cuban culture, art, and philanthropy. If future relations between the United States and Cuba improve, there could be the distinct possibility of a corresponding increase in foreign aid to the Cuban people.

# GRANT OVERVIEW

## GRANTS BY LOCATION

## GRANTS BY TYPE

# THANK YOU LETTERS

## ST. BASIL THE GREAT CATHOLIC GRAMMAR SCHOOL: Ivano-Frankivsk, Ukraine

\$10,000 | Installation of a gymnasium floor screed

JUNE 12, 2019 — Thank you for your financial support of \$10,000 USD for our project. To date, we completed all construction work. One of the most important works for us was the installation of the screed. Thanks to your help, we have successfully completed this work on the ground floor.

Without your help, it would not have been possible to realize the project, so we thank you for your solidarity and understanding. We wish you all the best and ask the Almighty God for the blessing for all benefactors, which He lets us meet on the way of our lives.

Yours respectfully and with prayer,  
Dr. Vlodymyr Vityshyn, *Metropolitan Archbishop of Ivano-Frankivsk* and Reverend Mykhailo Klapkiv, *Episcopal Vicar and Finance Officer*

## FE Y ALEGRIA HIGH SCHOOL IBARRA: Ibarra, Ecuador

\$10,000 | School renovations and refurbishments

JULY 30, 2020 — The Ecuadorian government and civil society agree that the most effective strategy for achieving equitable and sustainable socio-economic development of vulnerable population groups is to improve the quality of education and facilitate access to children and young people to school of basic education in safe and appropriate physical spaces.

In fact, this project provided an important improvement in the infrastructure of Fe y Alegria High School in Ibarra so that children, teenagers and the whole educational community has benefitted.

As a result, high school infrastructure, such as the bathrooms, offices and administrative areas, was renovated and refurbished, directly benefitting 843 students.

Students and teachers have a space for good educational development to enhance their abilities, raise their self-esteem, strengthen their identity and prevent the school dropout process.

We send our gratitude to Loyola Foundation for its generous contribution in favor of the children and teenagers at Fe y Alegria High School in Ibarra. This type of aid motivates us to continue

striving to provide quality education and warmth to our students. We sincerely appreciate your support in every way. We are looking forward to continuing to work together with other upcoming projects.

Ms. Maria Delores Briceno,  
*Public Advocacy Coordinator,*  
*Asociacion Fe y Alegria, Ecuador,*  
*South America*

“We are sure without your intervention this project would never have been put into reality.”

## THANK YOU LETTERS *continued*

### ST. FRANCIS CATHOLIC PARISH: Rulenge-Ngara, Tanzania

**\$16,730 | Installation of a solar-powered electrical system**

DECEMBER 13, 2019 — The parish is very grateful for the assistance received of US \$16,730 which has made this project to be started and completed. We are sure without your intervention this project would never have been put into reality.

It was a blessing and indeed great assistance that we received the whole amount of money that we requested. This shows us how considerate you are in your work. Thank you very much for being so helpful to us. The Diocese and our parish highly appreciates very much the partnership, cooperation and assistance we have received from the Loyola Foundation.

We thank you very much for being so kind, understanding and a true image of Christ to us. I am wishing you very good and God's blessings in this advent period.

Yours Sincerely,

Fr. John Bosco Ndakimubuza, *Parish Priest, St. Francis Catholic Parish Biharamula*

### THE FRATELLI PROJECT: Beirut, Lebanon

**\$20,000 | Purchase of a van**

AUGUST 15, 2020 — The reason for this letter is mainly to thank you for the love and above all the prayers to fulfill the mission that we are carrying out in this country, so beautiful for its people and landscape, but so plagued by various problems and with many material needs and spiritual to attend.

You kindly supported us with \$20,000 (on August 7<sup>th</sup>, 2020), with what we have been able to give a great education and social service to the children, youth and poor families and refugees we serve. Thank so much for the help! Your donation has made it possible to pay a big part of the new van of Fratelli Hyundai H1, and with this help we are now able to have a new care for the transportation of kids.

When the 2020 blast occurred in Beirut, the Fratelli Project responded immediately to the crisis by providing humanitarian relief. While the exact numbers are still being compiled, the blast seems to have caused at least 171 deaths, 6,000 injuries, USD \$10-15 billion in property damage and left an estimated 300,000 people homeless.

We appreciate your generosity and initiative, and we ask God and Mary to bless you in your daily life, rewarding one hundred by one for the good you do and will continue doing to Jesus through his favorites: the poorest and people in need.

Fraternally,

The children, youth and families in Lebanon benefited.

The religious community and the educational teams of the Fratelli Project

The Marist and Lasallian Community that supports and works in this Mission

## WOMEN AND FAMILY CORPORATION: Valle del Cauca, Colombia

\$14,850 | Purchase of an SUV

SEPTEMBER 6, 2019 — I am very pleased to report to you on behalf of the Women's Family Corporation, to be spokesperson for the SINCERE THANKS, for the very important donation in cash to obtain the car, and thus fulfill the commitments with customers in what refers more directly to food.

It has favored the health of the driver, the presentation of the product, the performance of the time, the power to do own training errands in the city of Cali, and above all to ensure a job that is the source of income for the families of the members of the production team, and safety in the service. God bless you.

With love and gratitude from Palmira Valle, imploding more blessings for you this Christmas and New Year 2020.

With the staff of the Corporación Mujer Familia and "Joselito" (the car), thank you again.

## THONDWE PASTORAL CENTRE: Zomba, Malawi

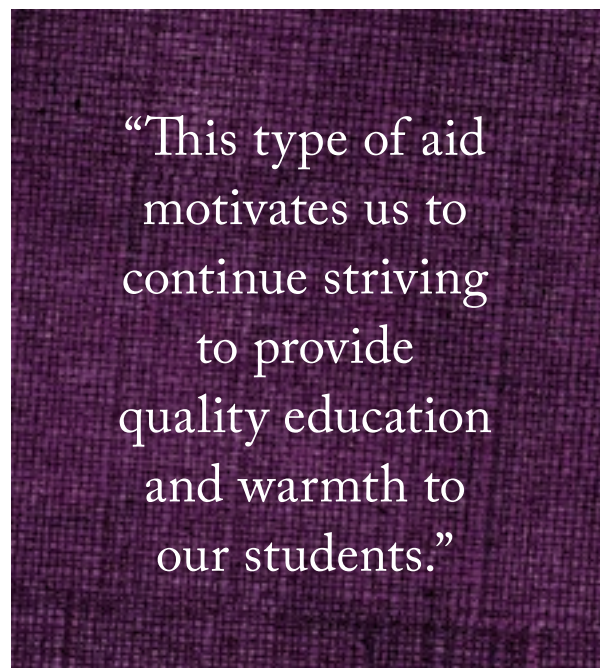

\$20,000 | Construction of a kitchen and dining hall

DECEMBER 19, 2020 — We had to begin the construction works a little late with five months because the funds we reserved as a local contribution to the completion of the whole project was being used for COVID-19 Awareness Project and Purchase of Personal Preventive Materials for our institutions. Until we were sure of the local contributions in our bank account, we started implementing the project in May, 2020. With many of our people dying and rising infection cases, we were forced to shelve the project for a few months to observe the fate. We thank God today to come to the end of the project.

Glory to God and peace to people of good will, i.e. Loyola Foundation. Finally, we sincerely thank the Loyola Foundation for the timely support of the grant US\$20,000 for this project. Our words are

insufficient to express this. However, only God can reward you abundantly. Rest be assured of our constant prayers and blessings in your sacred mission.

Reverend Isaac Tsegula, *Bishop's Secretary and Projects' Coordinator Catholic Diocese of Zomba, Malawi, Southern Africa*
